* taught in French

“A perfect place for a summer school.”
“Courses were very informative and exciting and it opened my mind to many things.”

“Curiosity, open mind and predisposition to meet new people.”

“Summer School was such a fantastic opportunity and had many different activities every day so it was never boring and there was always something new to learn. It was a great chance to get to know another culture, whilst making new friends and learning about their cultures as well.”
